Dear MUW Supporters,

August signals the end of summer for many of us. Of course, lots of people in the Monadnock Region say fall is their favorite season of the year. You can't beat our foliage, crisp days, fresh cider, pumpkin stands, and corn mazes.

It's also the time of year when we reengage with civic and community groups, school, work, places of worship, and more. All of this renewed energy makes September the perfect time of year to officially kick off MUW's 2023 Annual Campaign: *Imagine What We Can Do Together!*

Reaching our Goal is Critical to our Region

Our goal this year is \$1,518,000! Reaching this goal is imperative to MUW's ability to continue the fight for Children, Education, and Financial Stability in the Monadnock Region. Among our challenges:

- We have the third-highest rate of child abuse and neglect in the state
- Our children score lower than the state average in English and math
- Approximately 25% of our residents are low-income, compared to 20% in NH

Funds raised throughout the year – *especially* during the annual campaign – provide assistance, resources, and hope to hundreds of individuals and families when they need it most. Together we can reduce and eliminate many of our region's challenges – hopefully forever!
