### Dear MUW Supporters,

Many thanks to everyone who joined us and the Fenton Family Dealerships to kick off MUW's 2023 Annual Campaign **Imagine What We Can Do Together!** We're off and running toward our \$1,518,000 goal! It was truly a community-focused event with heartfelt stories of impact and recognition of the 2022 Circle of Excellence award recipients:

- Douglas Company received the Summit Award
- Monadnock Ford received the Trailblazer Award
- Cameron Tease received the Spirit of Monadnock Award
- Main Street America Insurance received the Enterprise Award

The third annual Ken Jue Award was also presented to Douglas Company for their continuing commitment to our community through their philanthropic and community service initiatives. Watch the presentation [here](#).

These award recipients embody this year's campaign theme **Imagine What We Can Do Together** by generously sharing their time, treasure, and talent. Watch the full recording and be inspired!

### What We Accomplish Together

Liz LaRose shared an example of the impact your donations have on our region in her last President's letter. Let's continue that thread and take a look at the Southern New Hampshire Services (SNHS) Hillsboro Child Development Center, which provides quality and affordable childcare and child development resources to the surrounding communities.

Reaching the 2023 campaign goal of \$1,518,000 will help MUW to continue the fight for Children, Education, and Financial Stability in the Monadnock Region.

A gift to MUW is an investment that benefits the entire community.

In a [video](#) shown at the Kickoff event, one mother shared her experience with the Center at the onset of a very traumatic time for her and her family. She talks about how happy she is with the supportive environment, the communication, and how safe and happy her son feels at the Center.

Through your generosity, MUW will provide a grant of \$110,000 every year through 2025 to SNHS Hillsboro Child Development Center to provide resources and keep tuition low – another great example of what we do together!

#### Let's Build the Momentum

This year's campaign goal is ambitious – \$1,518,000 – but doable! In fact, we've already raised 20%! With three months to go, if we all pull together, we know we'll do it. For our families, our children, our communities, and our future!

Sincerely,  
Chris Coates, Cheshire County Administrator  
Larry Monson, General Manager Monadnock Ford  
Rose Novotny, Office Manager, Bank of NH
