Dear MUW Supporters,

Throughout this year's *Imagine What We Can Do Together* campaign, we've talked about the importance of creating opportunities for individuals and families to thrive and succeed, and how this benefits both those in need and the Monadnock Region overall. As of today, we have raised \$1,052,737, which is 69% of our goal of \$1,518,000! Thank you so much for your compassion and kindness! With just two weeks left to go before our campaign ends, we would like those who have not yet given to consider [making a gift today!](#)

Your donation is creating opportunities for all.

Let's Create More Opportunities for Children and Families
MUW and our partners in the [Monadnock Alliance for Families \(MAF\)](#) invest your donations to create opportunities for children and families in the Monadnock Region. Here's an example of how your support enabled an MAF partner, [The Grapevine Family and Community Resource Center](#) in Antrim, to provide programs that benefited a local family.

Sandy and Robin's Story

Sandy and Robin* were thrilled to learn about [The Learning Vine Preschool](#) when looking for a place for their daughter. They were attracted to the outdoor, play-based program where kids go at their own pace. Their daughter thrived there and now her younger sister attends, too.

You are cordially invited to join us for an unforgettable evening of Inspiration, Impact, and Community.

2023 Imagine What We Can Do Together Campaign Celebration

Hosted by Monadnock Ford

5:30 TO 7:00 P.M.

Sandy describes an environment of trust, comfort, and support. "It's been an amazing place for all of us. The staff are friendly and welcoming, and I really appreciate the no pressure atmosphere. I've felt like our kids can go at their own pace because learning is play based. My children aren't pushed to do things until they are ready and can just be who they are."

The family participates in other Grapevine programs and events, including the Stay and Play program, Snow Families in the winter, and the Annual Spring Walk for Families. Sandy reports that the programs are really supportive of parents and offer great ideas.

Let's Create More Opportunities for Kids and Families

The biggest, most impactful gifts we can give to those struggling to raise families are opportunities that lead to a better future for their kids. Achieving our campaign goal of \$1,518,000 will go a long way in preparing those kids to thrive and succeed in school, and in life. We feel the energy and momentum as the end of the year approaches and are optimistic your amazing generosity will help us achieve our goal! If you have already given, THANK YOU! If you haven't, click [here](#) to make your donation now.
