

Attend an Agency Tour
Invite your campaign team and other co-workers to go on a brief agency tour and see first-hand how their work benefits the community. Call the United Way office to set something up!

Plan a Day of Caring
Help a local agency while your employees experience teambuilding at its best

Make it an Event
A picnic, car wash, chicken barbecue, ice cream social, a putting tournament in the hallway, dress-down days for contributors, "come in late" or "leave work early" passes, chauffeur for a day - the ideas are limitless. Think of things that your employees would find fun and rewarding!

Take a Chance on Raffles
A month in the best company parking space, a special gift basket, or a day off with pay...

Give-a-ways
Movie passes, video rentals, theater tickets, sporting events tickets, books, CDs and DVDs - there's something for everyone! Other giveaways could include a car wash, manicure/pedicure, dry cleaning, a tank of gas or home heating fuel

Company Pride
T-shirts, hats, mugs, key chains - whatever you have on hand - all make great prizes
