

“Your” Thanks – The Finishing Touch

A job isn't ever quite complete until you add those nice personal touches and extras. As the Campaign Coordinator, you've asked your co-workers for help and support, and you've asked them to contribute to Monadnock United Way. Your final task is to say thanks. Here are a few suggestions you may want to try.

- Write a personal thank you note to everyone on your team.
- Write a thank you note in your company newsletter for everyone to see.
- Thank everyone via email or your company intranet. Include examples of how their contributions are making a difference in our community.
- If you used a payroll stuffer, consider making one that says “Thank You for becoming a star and helping others in our community”.
- Make a display of photos from your campaign events and/or Day of Caring.

And...

Thank vendors and clients who donated incentive prizes and helped make your campaign a success through their generosity.
