

**UNITED WE FIGHT.  
UNITED WE WIN.**

**LIVE UNITED**

**At Monadnock United Way, we fight for children, education, and financial stability in every community throughout our region.**

Monadnock United Way isn't just our name. It is how we work.

We unite people from all sectors of the Monadnock region to solve problems in our community. We believe that when we work together, we make all our region's communities stronger.

United Way has the networks, partnerships and strategic initiatives to improve the lives of our families, friends and neighbors.

Real change is possible when nonprofit, public and private sectors team up to work together.

The following are just a few of the ways our game-changers have changed our region for the better. Last year, Monadnock United Way and our partners:

- Connected about 1,200 families to support services to improve their parenting skills
- Distributed meals to more than 3,300 Monadnock region residents in need
- Assisted 420 children and families with scholarships for access to childcare and mental health programs
- Provided developmental, social, and emotional screenings for more than 200 babies and young children
