Interested in volunteering for MUW? Contact Kate Cote at 352-4209 ext. 28 or kate@muw.org.

PLEASE NOTE:

With the importance of social distancing, we are limiting the number of hours that our staff come into the office to process gifts received via US Mail. We are asking donors to use our safe, secure [donation portal](#) whenever possible. However, we gratefully accept checks from anyone who prefers to donate in that manner and we will ensure that they are processed in a timely manner.

Dear Friends,

As we have often noted, volunteers are the life blood of MUW. Whether it's someone volunteering in the office, pitching in on a Day of Caring, or helping MUW reach its campaign goal, we simply could not move forward without the talent and dedication of our volunteers.

One of the most important volunteer roles is that of Loaned Employee. These highly trained volunteers work closely with workplace campaign coordinators to ensure they have the most successful campaign possible. Loaned Employees are often chosen by their supervisors for the role because it builds valuable skills such as confidence, project management, and public speaking. This year's class of Loaned Employees was outstanding, and we'd like to introduce you to one of them: Demi Kirby.

Demi, who works in Youth Services at the City of Keene, was a first time Loaned Employee. She moved to the Monadnock Region her senior year in high school, attended Keene State College, and will receive her MBA from Franklin Pierce University in the spring. Demi finds her work with the city very fulfilling, "I enjoy my role with the City of Keene as it allows me opportunities to be actively involved within the community and help to make it a wonderful place for my family and many other families to live."

Regarding her role as a Loaned Employee, Demi said, "It provided me further insight into the tremendous (and often unseen) work this agency does for our region and I instantly knew I wanted to further involve myself with MUW in any way that I could. I would highly recommend reaching out to the agency to volunteer in any capacity, whether you are new to the region or have been here for years. You always learn something new, and as MUW says, we really are better together!"

Thank you, Demi, and to all of our volunteers, for your commitment to our community!

Sincerely,

Laura Gingras, Ted McGreer, Alan Stroshine
General Campaign Co-Chairs
