Dear Friends of MUW,

Although many of you are familiar with the annual campaign, we'd like to introduce you to a new way to support MUW's mission. In 2019 MUW formed the Investors Group, a group of people who wish to strengthen their understanding of MUW's work and learn more about how partner agencies address our community's most entrenched problems.

Investors meet twice a year and agree to give \$500 at each meeting. They hear presentations about two evidence-based strategies our agencies are employing to meet the needs of individuals and families in the community. At the end of the presentations, they ask questions, deliberate, and vote on which strategy they would like to support. The strategy with the most votes, gets the accumulated funds of the group.

Tori and Bob Harding-Smith are new members of the group. They live in Peterborough and were looking for ways to get involved in the community. Tori said,
