Dear Friends of MUW,

The 2021-22 Stronger Together Campaign is in the books! At this point, our total raised is \$1,302,176! Staff is hard at work finalizing and logging all the workplace campaigns and individual gifts. Stay tuned for the final number in a few weeks!

Whatever the final number is, we humbly thank *you*, our community, for all of your support, encouragement and enthusiasm. From the Employee Campaign Coordinators who rally the troops at workplaces, to volunteers who make follow up and thank you calls, and to the individuals who drop by our office to personally deliver checks, we owe a debt of gratitude to all of you. We are so proud to be a part of this generous Monadnock Region!

We would like to especially thank our General Campaign Co-Chairs Danya Landis, Karen Peterson, and Beth Wood for helping us get the word out and making the Stronger Together campaign festive through philanthropy cocktails and dine-in specials in Keene and Peterborough. We thank you for your appearances at the Kick-Off and Flash Mob in September, all the time you spent drumming up support for the campaign on the Dan Mitchell and Chris Coates shows, and for taking time to make thank you calls. We couldn't have asked for a better team

The Stronger Together Campaign is 89% to goal with \$1,302,176 raised to our goal of \$1,462,000!

to represent MUW!

Our [Campaign Cabinet and Loaned Employees](#) also deserve special recognition. Thank you for all you did to make the Stronger Together Campaign a success through your tireless efforts!

Finally, I'd like to give a special shout out to our Board of Directors. You were with us every step of the way: planning events, spearheading the flamingo campaign, making additional gifts for challenge grants, and sharing our message on social media and with friends and colleagues.

I feel so *grateful* to know and work with so many kind and caring people. Thank you one and all for making the Stronger Together Campaign a success!

Sincerely,
Liz LaRose, President
