Dear Friends of MUW,

We are thrilled to announce that because of YOU, the Better Together campaign reached its goal of \$1,277,000! MUW has come close but has not hit a campaign goal since 2015 so please take a moment to feel proud of this accomplishment!

And not only that, you also donated an additional \$452,000 in Covid-19 Relief Funds that we distributed in 2020 and \$130,000 more in Covid-19 Recovery Funds to be distributed in 2021.

This year has tested the strength of our community. We asked you again and again for your support to help your neighbors in need—for the Covid 19 Relief Fund and the Better Together campaign. And each time we asked, you answered the call—by donating, advocating, and volunteering.

Your support has a direct impact on the lives of local families and individuals and contributes to the overall health and vibrancy of our community by:

- Ensuring our children live in safe, nurturing, healthy homes
- Guaranteeing that our neighbors have the financial resources they need to live healthy, happy, and productive lives
- Making certain that everyone in our community receives an education that enables them to achieve their fullest potential

A huge round of applause goes out to our campaign volunteers. We could not have reached our goal if it were not for them: campaign cabinet members, workplace employee campaign coordinators, and last but not least our spectacular General Campaign Chairs: Laura Gingras, Ted McGreer and Alan Stroshine. Thank you for giving back again and again! Because of you, our community remains strong and so many lives in the Monadnock Region are better.

Sincerely,

Liz LaRose, President
Ben Wheeler, Board Chair
