A Campaign Update from Liz LaRose

Dear Friends of MUW,

As a supporter of MUW, I know you care about the health and vitality of our region. For the next few weeks, we’ll be sharing data from our Community Impact Report that highlight the Collective Impact work that we are doing in our three focus areas of children, financial stability, and education.

Collective Impact describes an intentional way of working together and sharing information for the purpose of solving a complex problem. Rather than working in isolation, we partner with the community, unite people and organizations around shared goals, mobilize volunteers to be social change agents, and leverage investments through measurable strategies and aligning of resources.

This week, click here to take a deeper dive into our vision, goals, and outcomes for children.

MUW’s vision in this area is that children in the Monadnock Region live in safe, nurturing, healthy homes, and communities and Monadnock community members receive an education that enables them to achieve their fullest potential.

We are working hard to make that vision a reality. Through your support, you are our partners in this endeavor and we hope you are proud of the work we have accomplished.

The Stronger Together goal is $1,462,000. If you have already given, THANK YOU! If you haven’t, please visit muw.org, text MUW to 41444, or send a check to 23 Center Street, Keene, 03431.

Sincerely,

Liz LaRose, President
