### How are funds allocated?

MUW employs a proven, transparent, and inclusive investment process to identify agencies and programs with the highest probability of providing a positive, sustained impact in our communities. All funding decisions are made by teams of volunteers and approved by our Board of Directors.

Team members, representing the diversity of the entire Monadnock Region, are trained to identify initiatives and programs whose outcomes measurably improve the needs and issues, outlined in our strategic plan, for Children, Education, and Financial Stability/Basic Needs. For programs and agencies seeking MUW funding, team members:

- Read proposals and financial statements
- Visit agencies and program sites
- Listen to presentations and engage with leaders and stakeholders

### Volunteers share their experience

Investment team members volunteer for many reasons but are united in their dedication and sense of fulfillment from their participation:

*"I learned a lot about our community from being on the Investment Team that I wouldn't have learned any other way." Jay Smeltz*

*"These organizations provide enrichment and support to the community, and without MUW support through generous funders and donations, many of them would not be in existence." Stephanie Guitard*

We look forward to seeing many of you at the community celebration on the 25<sup>th</sup>!

Sincerely,  
Chris Coates, Cheshire County Administrator
