Dear MUW Supporters,

As the 2022 United We All Win campaign winds down and a new year begins, would you like to grow your support of MUW and exert more influence in our local non-profit community? MUW's Investor's Group may be the answer! Joining the Investor's Group allows you to take a deep dive and learn more about how to move our communities forward.

Focus on Impact

MUW believes every agency's work is valuable. However, with limited funds, MUW chooses to invest strategically in programs in our focus areas ([Children](#), [Education](#), and [Financial Stability/Basic Needs](#)) that demonstrate measurable outcomes and impact, thus building a stronger foundation for individual and family success in the future.

How the Investor's Group Works

Members of the group contribute both treasure and time. Twice a year, in the spring and fall, investors gather. Each investor commits \$500 per gathering, above and beyond their existing annual donation. During this gathering, they listen to presentations that detail an evidence-based strategy each agency employs to serve the community. Members ask questions and engage in dialogue after each presentation. Then they vote on which strategy they will support with the funds committed. At the most recent meeting, the group awarded \$4,500 to [Cheshire County Emergency Housing Collaborative](#) to offer incentives for participants to sign up for personal development workshops. This is in addition to the MUW investments already allocated to the collaborative.

Why Join?

There are several benefits of membership in the MUW Investor's Group. You will:
