Dear Friends of MUW,

Mike Jablonski, President of [Whitney Brothers](#), has lived in Keene for most of his life. As he says, "I moved to Keene before graduating from Keene High School, Keene State College, and have lived in Keene ever since. I wouldn't want to live anywhere else."

He is committed to this community and to MUW. And it shows. He has been giving to MUW for 30 years, even before he started working at Whitney Brothers. He is particularly interested in MUW's children's focus area.

"Since Whitney Brothers manufactures children's furniture, we strongly support the programs that benefit local kids. Specifically, I find the work that [Rise for baby and family](#) (a member of the MUW supported collaborative [Monadnock Alliance for Families](#)) provides to be extremely valuable and very touching."

We invite you to consider Monadnock United Way in your estate planning so your generosity to this community will continue beyond your lifetime.

Donors who include Monadnock United Way in their estate plans are recognized as members of the Legacy Society. For more information, visit [muw.org](#) or contact Katie Gardella at katie@muw.org or 352-4209 ext. 27

Whitney Brothers has been running a workplace campaign for as long as Mike has been working there. "I take a lot of pride in seeing how generous my coworkers are in contributing to the MUW. Regardless of income level or personal circumstances Whitney Brothers employees are extremely charitable."

Asked why he has supported MUW for all these years he said "MUW funds many valuable programs and now with the current demand for social services due to COVID, they are even more important."

We are grateful for your support, Mike, for the support of your colleagues at Whitney Brothers, and to all our workplace campaigns. United, we can do amazing things!

Sincerely,

Danya Landis, Karen Peterson, Beth Wood
General Campaign Co-Chairs, Stronger Together Annual Campaign
