Mark your calendars!

Dear Friends of MUW,

I'm writing to let you know about a special on-line fundraiser we are doing to benefit our early childhood work through Impact Monadnock (IM). The fundraiser will be on the The Local Crowd platform and run from May 16 through June 10.

Since 2016 Impact Monadnock (IM) has been committed to improving outcomes for all children in the Monadnock Region aged 0-8 and their families. The vision of IM is simple: all children in the Monadnock Region and their families are healthy, learning, and thriving, now and in the future.

IM's important work continues through the following programs:

- **Pyramid Model:** Promoting young children's social emotional learning. Four new schools are preparing to join the Pyramid Model Project this year: Rise for baby and family, Keene Family YMCA, Walpole Village School, and Home Away from Home.
- **Preschool Development Grant:** Strengthening the early childhood system to better support young children and their families. MUW now serves as the backbone agency for Region 1 of this project which includes the Monadnock Region, the greater Sullivan County area, and the Upper Valley.
- **Monadnock Alliance for Families:** Providing home visiting and educational programs for parents.
- **Impact Monadnock Business Ambassadors:** Inspiring employers to engage in improving the lives of children
