Dear Friends of MUW,

One week from today is [GivingTuesday](#) and MUW is proud to participate in this global day of giving!

GivingTuesday is an opportunity for people around the world to come together to thank, help, give, show kindness, and share what they have with those in need.

Your gifts to GivingTuesday and the Stronger Together Campaign give people the tools and resources they need to live happier, healthier lives. Here's a story from a woman named "C" who was helped by the Monadnock Alliance for Families:

When the staff at Healthy Starts first met "C," she was covering in the back seat of her car with her infant in her lap while her mother was yelling at her and abusing her. Fast forward two years to 2021 and C has the strength and emotional bandwidth to set clear boundaries with her mother and with the father of her child, to protect her child and herself from their abuse. Her son is in a stable childcare program while she works full time, receives health insurance benefits, and saves for retirement through a 401(k) program. She says the Healthy Starts staff helped her recognize her strengths, reminded her she has value and that she CAN break the cycle of abuse, and always supported and encouraged her when she felt defeated, helping her find the strength to continue – and thrive.

This year, with the help of businesses and individuals, MUW has raised \$10,000 in challenge grants. That means that when you give on November 30, your gift will be matched dollar for dollar up to \$10,000. Your gift will put food on people's tables, help children get an education, and help folks find stable
