Dear Friends,

2020 was an amazing year, one we will never forget. Covid-19 swept the globe and nothing has been the same since. In the face of all of it, our agencies, donors, supporters, and volunteers showed us that we are truly Better Together.

We are proud to share with you our newly completed [2020 Annual Report](#), our longest to date, at 24 pages. There is a lot to reflect upon, celebrate, and be thankful for: our agencies were able to turn on a dime and offer help in new ways to their constituencies; our community pulled together and made it a priority to support the vulnerable; and we never stopped fighting for children, education, and financial stability.

We hope you will take a few minutes to read our 2020 Annual Report and feel proud to be a part of the successes we and our partners achieved during this year of crisis. In many ways, it brought out the best in our community, something we should all be proud of.

Sincerely,

Danya Landis, Karen Peterson, & Beth Wood
Stronger Together, General Campaign Co-Chairs
