A Campaign Update from Liz LaRose

Dear Friends of MUW,

We are approaching the final weeks of the Stronger Together annual campaign. We, or should I say you, our community, have raised \$1,076,448 toward the goal of \$1,462,000. With your continued support, we will be able to cross the finish line and meet our goal!

A gift to MUW puts food on families' tables, gives shelter to the homeless, provides support and education to parents, and ensures that our children have access to affordable, quality childcare. We unite people from all sectors of the Monadnock Region to solve problems in our community.

An editorial that ran in last Sunday's Keene Sentinel said,

“Those considering the region’s needs and wondering how they might help will find each dollar given to support the United Way’s annual campaign will have a multiplying impact and provide a region-wide bang for the buck that can’t be beat.”

Thank you to all who have given to the Stronger Together campaign! For those who haven't, please remember that when you give to MUW, you are giving to many agencies who are coming together to solve our region's most difficult problems.

You can be a part of the solution! Donate at muw.org, text MUW to 41444, or mail a check to 23 Center Street, Keene, NH 03431.

Sincerely,
Liz LaRose, President
