2021 Annual Campaign

A Campaign Update from Liz LaRose

Dear Friends of MUW,

Thanksgiving is right around the corner and I'm sure that many of us are looking forward to spending time with friends and family and having the traditional Thanksgiving feast.

Unfortunately, not all of our neighbors have the means to share in the festivities. One in five residents of Cheshire County live in poverty. Because of this, our residents experience stress, uncertainty, and the fear of homelessness and not having enough to eat.

I'd like to share with you a [story of perseverance](#), hope and gratitude. It's of a woman and her family who were helped when they needed it most by [The Community Kitchen](#).

We are 44% to goal with \$645,768 raised so far!

Help us reach the \$1,462,000 Stronger Together campaign goal by donating today!

[The Monadnock Food Pantries Collective](#), made up of the Community Kitchen in Keene and six smaller pantries around the region, helps people like this Mom and her children every day. They welcome them with open arms and supply them with healthy, nutritious food and even offer them items like turkey and stuffing at holiday time.

We are proud to fund the Monadnock Food Pantries Collective (MFPC) and the work they do! This year alone, the MFPC is expected to serve more than 1,500 people per week with fresh produce, holiday boxes, and nutritious meals. This is only made possible by your generosity.

If you have already given to the Stronger Together campaign, we THANK YOU! If you have yet to give, please do so now by going to [MUW.org](#), texting MUW to 41444 or sending a check to MUW, 23 Center Street, Keene, NH 03431.

Sincerely,
Liz LaRose, President
