As a New Year begins, numerous climate-related innovations are finally moving to the mainstream, such as electric vehicles. While celebrating at Monadnock Ford, you'll see the all-electric version of the [Ford F-150 Lightning full-size pickup](#). We're eager to see this vehicle – it doesn't even have an engine!

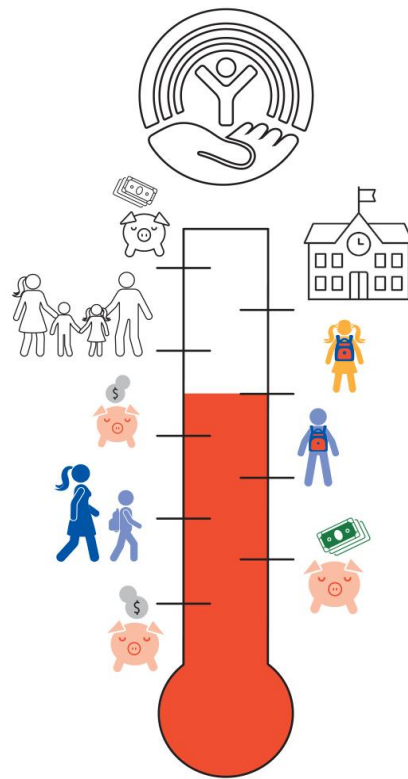

Please save the date and share this invitation with anyone who supports MUW and our community or who likes cars or electric vehicles. We look forward to seeing you there!

Sincerely,
Chris Coates, Cheshire County Administrator
