

An Update from MUW President Liz LaRose

Follow us on our social media!

Dear MUW Supporters,

At the heart of Monadnock United Way is our local community, where we unite to address our region's most pressing challenges. I recently participated in a [Monad-Talk](#) podcast with the [Greater Monadnock Collaborative](#). This podcast highlights the businesses and organizations that help our community thrive. During the episode, we explored how MUW strengthens the 38 towns we serve.

Luca and I discussed our focus on Children, Education, and Financial Stability—areas identified through data-driven research—and our unwavering commitment to fostering collaboration.

I invite you to listen to our conversation to discover how MUW attracts additional funds, helps build community, and creates opportunities for significant, lasting change.

Your support makes this possible. Together, we are transforming lives.
