LETTER FROM THE DESK OF THE PRESIDENT

## Welcome MUW's 2026 General Campaign Co-Chairs

### Dear MUW Supporters,

Monadnock United Way has been incredibly privileged and fortunate to have so many talented and dedicated campaign chairs over the years—and this year will be no exception! Please join me in welcoming two outstanding General Campaign Co-Chairs—Scott Brown and Natalie Quevedo! Both have demonstrated a strong commitment to our community over many years and bring the leadership, know-how, and enthusiasm needed to guide this vital endeavor.

### Commitment to the Monadnock Region

Scott Brown brings more than 15 years of banking experience and over 25 years of volunteer leadership and community involvement to his role as United Way General Campaign Co-Chair. Throughout his career, Scott has remained deeply committed to supporting organizations that strengthen the Monadnock region, including Neighbor's G.I.V.E.; Jaffrey Chamber of Commerce; Gap Mountain Lions Club; Monadnock Center for History and Culture; Cheshire Fair Association; HCS Hospice Services; and the Rindge NH Planning Board. Scott is passionate about building strong community connections, supporting local families and businesses, and helping create meaningful impact through service and collaboration.

### CALLING ALL VOLUNTEERS!

Monadnock United Way is seeking volunteers for the **Resource Development/Marketing Committee.**

If you have experience engaging networks, or creating social media campaigns for non-profit organizations, please let us know. You may either sit on the committee or engage in project-based work, depending on your availability.

Please reach out to Katie Gardella, Director of Resource Development at [katie@muw.org](mailto:katie@muw.org) for more information.

**"I believe the Monadnock United Way annual campaign is so important because it directly strengthens the people and organizations that make our community resilient, compassionate, and connected. What makes it especially meaningful is that the impact stays local. Every contribution helps support programs and partnerships right here in the Monadnock Region, creating real and lasting change for our neighbors, coworkers, friends, and families."

### **Community and Civic Leadership in Winchester, NH**

Natalie Quevedo has been a dedicated member of the Monadnock Region since 2012, contributing as an artist, volunteer, and advocate. She has enriched the local arts scene through public installations and is especially proud of the interactive indoor treehouse she created for the MAPS Center in Keene. Natalie currently serves on the Winchester Conservation Commission and VFW Auxiliary Post #3968, and works with local youth as a substitute teacher and Program Director of A.C.C.E.S.S. Outside of her work, she enjoys spending time with her wife and pets, riding her lawn mower, eating soup, and spending time in nature.
