Dear Friends of MUW,

A huge thank you to everyone who gave to the Impact Monadnock (IM) campaign on The Local Crowd (TLC) platform! With your support, we raised \$6,400!

These donations will be put to good use! Impact Monadnock (IM) seeks to improve outcomes for all children in the Monadnock Region from birth to age eight and their families. Your donations will make it possible for us to:

- Provide home visiting, and education for parents through the Monadnock Alliance for Families
- Provide tuition assistance so that families can access high quality child care
- Promote family friendly business practices through the Impact Monadnock Business Ambassadors
- Train teachers to support children's social emotional growth through the Pyramid Model
- Give parents the resources and support they need to get more involved in their children's education through the Early Childhood Region 1 initiative

To learn more about one of the aspects of IM, the Early Childhood Region 1 initiative, please [watch this short video](#) featuring Ellen Taetzsch, Systems Manager.

Thank you for supporting this important work! Every dollar given goes to support our community's greatest asset: our children. And special thanks to our matching donors W.S. Badger, John and Nancy Hann, Dick and Kris Hill, Jeff Miller and Carol MacKinnon, Barbara and Tony Tremblay and to our sponsors: Clark Mortenson, The Richards Group, and True North Networks.
